PENSION ENTITLEMENT

Many American Wartime Veterans are unaware that they may be entitled to a pension benefit. This tax free benefit may help offset the cost of:

- Assisted Living
- Nursing Home
- Enhanced Independent Living

This benefit is available in many senior living communities.

QUALIFYING FOR YOUR BENEFITS

Many Wartime Veterans can be turned down for their benefits needlessly, simply because they do not understand the qualifications of the program.

HOW WE CAN HELP:

- An American Association for Wartime Veterans (AAWV) professional member will provide essential information on the qualifications of this program.
- We work exclusively with senior living communities committed to our Veterans First Program.
- Join the growing list of wartime veterans & surviving spouses who are receiving their entitlement.
