## 2010 Fall Festival

On Saturday October 9th Heritage Corner Health Care Campus held its annual fall festival. A great time was enjoyed by all young and young at heart.

We had a costume contest with Tyler Knauss winning the infant category, Mason Roe winning the toddler/preschool category. Carter Broshious came closest to guessing the amount of candy corn and gummy bears. Way to go Carter!

Everyone enjoyed horse drawn wagon rides, pumpkin painting, and popcorn ball decorating.

Hope to see everyone there next year!

## Our visit to the Hay Maze

In October the toddlers and preschoolers visited the hay maze at Klotz floral and garden center. The kids were lead through the spooky tunnels with only a flash light to see with. Everyone did a great job with not being to scared.

Everyone got a goodie bag and a little pumpkin to take home with them.
