2010 Heritage Corner Holiday Party

On Saturday, December 11th, Heritage Corner Health Care Campus entertained clients and families for the annual Heritage Corner Holiday Party. The evening consisted of Christmas Entertainment by Tim Concannon, a wide variety of hors d'oeuvres, desserts and drinks provided by Heritage Corner Culinary Department, Story Time with Santa and professional photos with Santa Claus taken by Bill Smith. The party started the month of special activities and celebrations. The best part of the party was sharing time with family and friends!

Family Focus

Doreen Bomeli has stayed close to home since arriving at Heritage Corner in 2007. Prior to arriving here she and her husband, Edwin were world travelers. Over their 56 years of marriage, they visited all 50 states. They also travelled internationally to Canada, Mexico, Australia, New Zealand, Scandinavia, the Caribbean, Panama Canal, several countries in Asia and, most of Europe and South America. Their most ambitious journey was the move to Milan, Italy for a year with their family of five children. For the year, her husband took a break from BGSU and used his accounting expertise to help the Glidden Paint company with their operations in Italy.

Doreen also spent time in Egypt and Greece for Christmas and Rome for Easter. Spending the holidays in these locations meant a lot because Mrs. Bomeli and her husband were very religious. Her husband Ed was an ordained minister who served as an interim minister for most of the Christian Churches of Northwest, Ohio. Doreen also was involved as an elder and chairwoman of the board at her church.

Doreen's four sons live in Ohio and her daughter lives in Illinois. Her youngest son, Tim, was born with Downs Syndrome. Tim has taught the entire family many things, including love, patience, and understanding beyond measure. Doreen and Ed have served as volunteers for several Woodlane events over the years and Ed was a member of the Wood County Board for Developmental Disabilities. When Doreen is not traveling her favorite hobbies include: jigsaw puzzles, games, reading, and spending time with her family.

Honorable Mention

In the Fall of 2009, some of the Heritage Corner Department Heads submitted a client's name and story to the Invacare's "Yes You Can Award." There were several thousand applications that were submitted by facilities around Ohio. Leslie Dimick, Office Major, submitted Mrs. Sara Schaefer's name telling the story about her life and the kinds of activities that she has participated. Heritage Corner would like to be the first to congratulate Sara Schaefer as she has been awarded an Honorable Mention!

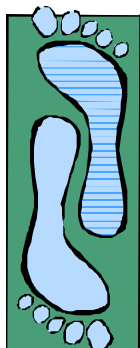

Tis' the Season

This month Heritage Corner Health Care Campus Bus has traveled all around Wood County to see some of this year's Christmas Light displays. The bus was full of clients who viewed and enjoyed these displays. They were simply amazed at how beautiful light shows were especially when set to music. The locations visited included Rossford, Perrysburg and Bowling Green.

"High Tea"

You are cordially invited to join us for "High Tea" in the Corner Cabana on Wednesday, January 26, 2011 at 2:00pm. Put on your best party dress and floppy hat and bring your favorite tea cup. Gentlemen, please wear a bow tie and top hat to help set the mood! Let's drink tea like the "Britts". Please pre-register for this event by contacting Geoff Trautman, Activity Director in person or by telephone at 419-728-0278. Hope to see you there!

"Tour of Greece"

On February 15th, Heritage Corner and the Wood County Committee on Aging invite you to travel with us for the "Tour of Greece." Come and take a winter break to experience the sights, sounds and foods of Greeks. Transportation from the Wood County Committee on Aging will be provided by Heritage Corner's Bus. More information to follow in next month's addition of Heritage Corner's monthly newsletter.

Good-Bye Celebration for Becky Tenbrink
