The Corner News

Here at Heritage Corner we have a warm water spa pool that is offered three times a week for clients to use. The pool has jets, a lift chair and exercise pool weights to use. Pictured using the pool are Mr. Courtney and Mrs. Kidd. Feel free to let Brittany know if you would be interested in taking part in any of the three days of the pool exercise.

Mr. Brown, Mrs. Johnson, and Mr. Peiffer sit and enjoy wine and margaritas while getting to know each other during our happy hour that we hold each Thursday.

Welcome to our new Administrative Staff:

Marshall Goldstein-Chef/Culinary Director

Sherri Lashaway-ADON and MDS

Heritage Corner Health Care Campus Mission Statement

The caring people of Heritage are dedicated to delivering safe, healthy living solutions.

We emphasize dignity, respect, and individuality with our clients and their families.

Our commitment to excellence is proven with our guaranteed services policy.

Capturing Memories

Have you ever considered writing a memoir about your life or a specific event that was important to you? Writing is a wonderful way to capture a part of yourself to leave for your loved ones when you are no longer able to share your stories. Anyone can write, and with a little guidance many may do a surprisingly great job.

If you or someone you know may have interest in writing about your/their life please let us know so that we may schedule a group writing session. If we are able to accrue enough interests, our very own Lois Sonnenberg, published author, would like to donate some of her time in order to guide new writers in the right direction.

Again, if you would be interested in joining a writing session please contact the activities department at 419.728.0278.
